FILM TAX CREDIT – QUARTERLY REPORT
CALENDAR YEAR 2025: THIRD QUARTER
SEPTEMBER 30, 2025

Empire State Development (ESD) oversees administration of the film production and post-production tax credits.

This report reflects program activity during this quarter. The information presented includes projected spending, hires, and estimated credits for film and post-production projects deemed eligible to participate in the Program, and, pursuant to reporting requirements, actual spending, hires, and credits issued to projects that have been completed and audited.

ESD accepts initial applications on a rolling basis and reviews them when deemed complete. A preliminary eligibility determination is made for all applications that meet the criteria set forth in statute and regulations and applicants are directed to submit a final application once projects are finished. This report reflects new applications submitted during July, August, and September 2025.

Production companies may be eligible to receive a fully refundable base line credit of 30 percent (25 percent credit for applications submitted between 4/1/2020 and 4/1/2023) of qualified production costs and post-production costs incurred in New York State. Additional incentives may be available in each of the tax credit Programs and subject to additional requirements.

INITIAL APPLICATIONS BY TAX CREDIT LEVEL

Below is a summary of both production and post-production initial applications received this quarter based on the amount of estimated credits.

- Number of Projects, estimated credits of less than \$1 million: 35 projects / \$13,090,932
- Number of Projects, estimated credits of \$1 million up to \$5 million: 17 projects / \$36,661,661
- Number of Projects, estimated credits of \$5 million or more: 21 projects / \$479,138,369

For film production projects, once a project is completed and a final application is submitted and approved, a tax credit certificate is issued. Applicants who submitted initial applications prior to 4/1/2023, file for the tax credit for the year after their assigned allocation year and receive the tax credit pursuant to a three-tiered schedule. Projects issued less than \$1 million in credits claim the entire credit in the first year. Projects with credits between \$1 million and \$5 million claim the credit over two successive years. Projects with credits of \$5 million or more claim the credit over three years. Applicants who submitted an initial application between 4/1/2023 and 12/31/2024, file for the tax credit in their assigned allocation year pursuant to the three-tiered schedule. Applicants who submitted an initial application after 1/1/2025, file for the tax credit in their assigned allocation year and receive the tax credit in one single payment.

For post-production projects, applicants file for the tax credit for the year the project is completed and receive the tax credit pursuant to a three-tiered schedule. Projects issued less than \$5 million in credits claim the credit over two successive years. Projects issued more than \$5 million in credits claim the credit over three successive years.

The projected completion dates for the initial applications submitted this quarter fall between May 2025 and February 2027.

This percent was increased to half of one percent effective January 2023. This first-in-the-nation New York Entertainment Workforce Diversity Grant Program supports efforts to recruit, hire, promote, retain, develop, and train a diverse and inclusive workforce in the motion picture and television industry in New York. Applications for grant funding are accepted on a rolling basis.

The following charts C & D reflect the amount of credit diverted from each project.
